Take a helicopter to breakfast at the World's Highest Resort.

Depart from Kathmandu's Tribhuvan International Airport at 7 am and fly east, parallel to the Himalayan range. You'll glide above Sherpa mountain villages, monasteries, mountain lakes and snowy peaks. See Khumbu Himal, Ama Dablam, Kantega, Nuptse, Lhotse, Pumori and Mt. Everest from the air.

Weather-permitting, your pilot will make a brief stop at either Kala Patthar or Syanboche on the way to breakfast, providing an opportunity for photos.
