Intense Training That Could Save Your Life or Someone Else's

Where does training take place?

Our private training facility is located in Arizona, 30 minutes from Tucson and an hour from Phoenix.

What is included in the program?

The program includes intense driving instruction, plus on-site lodging and meals. Transportation from Tucson Airport to the facility may be arranged.

What are the accommodations like?

You'll stay at a former government facility, in former officer quarters. The facility has a swimming pool, restaurant and workout room. The venue features a 1.2 mile driving course, off-road track, skid pad, shooting ranges and space for training scenarios. Lodging is provided Thursday, Friday and Saturday evening. Training concludes Sunday afternoon. (Lodging Sunday night is available for a nominal fee.)
