ROCK 'n' ROLL™ FANTASY CAMP

Welcome to Rock and Roll Fantasy Camp

There's a Rock Star in Everyone! We nurture your inner Rock Star and bring that persona to life to share the limelight with living legends. It's truly empowering!

At Rock and Roll Fantasy Camp you will create amazing music, make life-long friendships, experience the thrill of performing in a Rock Concert in front of a screaming audience, hone your instrument, meet iconic Rock Legends, hear from industry experts, and be entertained by rock's top performing musicians.

As a participant in a 3 or 5 day Rock and Roll Fantasy Camp™, you'll get the rock and roll royal treatment! You'll live the rock n' roll lifestyle day and night, learning or perfecting your knowledge of an instrument, practicing and jamming with your band, and learning the ins and outs of the music business - all in the company of some serious Rock Stars! We offer a spouse program so your loved one can join you for dinner, evening activities and hang out while you take advantage of our master classes and themed jam rooms.

Don't play an instrument? Just a beginner? Don't worry! Rock and Roll Fantasy Camp™ welcomes musicians of all levels - from those who can jam with the best of them to those who've never even touched an instrument. You'll be placed in a band based on your skill level and interest. You may try picking up a guitar, sing backup, play tambourine and get involved in writing lyrics. You'll also have the opportunity to partake in master classes given by our counselors in various instruments and song writing and hear from industry experts. We also offer a masters program for the experienced musician and a young rockers program for those age 12 - 17.

Not only will you have the most incredible time of your life, but you will forge relationships that will last a lifetime. Aside from our incredible music program, including, master classes, themed jam rooms and working with the top musicians touring today, you will bond with your band and with our counselors. You will never want it to end. This is a MUST for your bucket list!

Rock and Roll Fantasy Camp: The Experience

The excitement begins the moment you register. It builds as you prepare for camp by learning from the song list we provide you. Upon check-in you'll meet our friendly staff, counselors and campers and start to form those friendships that will last a lifetime. As the camp unfolds you'll be visited in your studios by the worlds biggest names in rock, to guide and mentor you, and share tips and tricks they've learned while selling millions of albums and performing to sold out stadiums. As you write and record your original song, your band's rock star counselor will work with you on everything from instrument skills to stage presence.
